

Sådan finder du dit testsvar

→ Gå ind på www.sundhed.dk.

→ Klik på "Se dit COVID-19 prøvesvar".

→ Tryk på "Log på NemID".

→ Hvis der er ventetid for at komme ind på siden, vil det se sådan her ud.

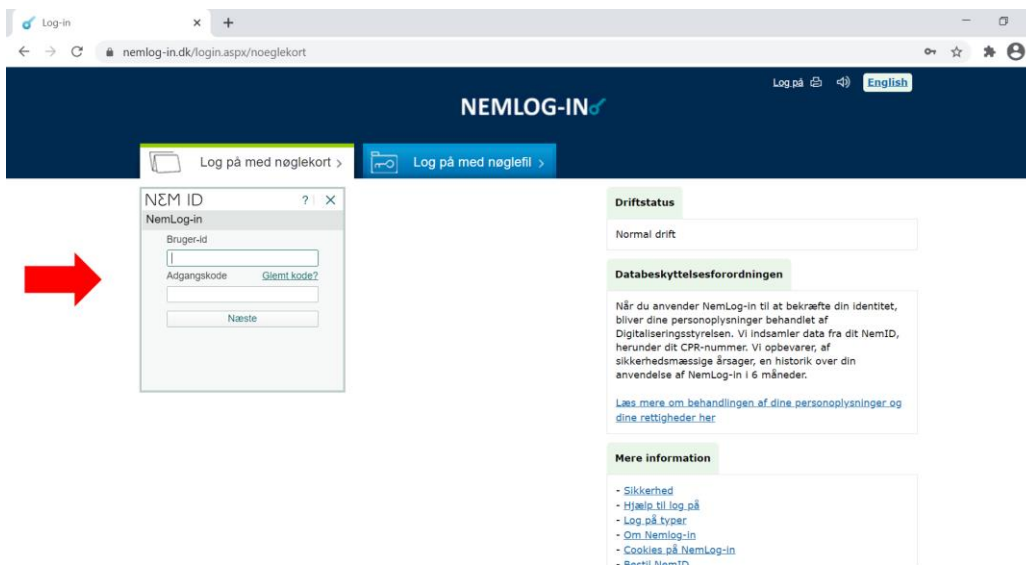

The screenshot shows the sundhed.dk website with a queue status for logging in. The header features the sundhed.dk logo. Below it, a large heading reads "Vi har ekstraordinært mange besøgende lige nu" (We have extraordinarily many visitors right now). A sub-heading states: "Du er nu i kø til at logge ind på sundhed.dk. Når det bliver din tur, bliver du automatisk viderestillet til at logge ind." (You are now in a queue to log in to sundhed.dk. When it becomes your turn, you will be automatically redirected to log in.)

A progress bar shows a small red segment on the left, indicating the user's position in the queue. Below this, a box displays: "Antal brugere i kø foran dig: 125" (Number of users in queue ahead of you: 125) and "Din estimerede ventetid er: mindre end et minut" (Your estimated waiting time is: less than a minute). A status indicator shows "Status senest opdateret: 14.11.32".

At the bottom, a message box states: "Besked senest opdateret: 12.02" (Message last updated: 12.02) and "Skal du tjekke dit COVID-19 svar?" (Do you want to check your COVID-19 answer?). A note below explains: "Vær opmærksom på, at det ikke er sikkert, at du kan se dit COVID-19 svar, når det bliver din tur. Du vil normalt kunne se dit COVID-19 svar dagen efter, du er blevet testet. Der kan dog gå op til to dage, før du kan se svaret." (Be aware that it is not certain you can see your COVID-19 answer when it's your turn. You will normally be able to see your COVID-19 answer the day after you have been tested. It can take up to two days before you can see the answer.)

→ Indtast dit NemID.

The screenshot shows the NemLog-In website in a browser window. The URL is nemlog-in.dk/login.aspx/hoeglekort. The page has a dark blue header with the NEMLOG-IN logo and a language selector set to English. Below the header, there are two buttons: "Log på med nøglekort" (Log in with keycard) and "Log på med nøglefil" (Log in with keyfile).

A red arrow points to the "NEM ID" login form, which contains the following fields:

- Bruger-id (User ID) input field
- Adgangskode (Access code) input field with a "Glemt kode?" (Forgot code?) link
- Næste (Next) button

On the right side of the page, there are three informational sections:

- Driftstatus** (Operational status): Normal drift (Normal operation)
- Databeskyttelsesforordningen** (Data Protection Regulation): A notice stating that using NemLog-In to verify identity involves processing personal data by the Digitaliseringsstyrelsen. It mentions that it handles CPR numbers and maintains a security log for 6 months. A link is provided to read more about data processing and rights.
- Mere information** (More information): A list of links including "Sikkerhed" (Security), "Hjælp til log på" (Help with logging in), "Log på typer" (Login types), "Om Nemlog-in" (About Nemlog-in), "Cookies på NemLog-in" (Cookies on NemLog-in), and "Ret til NemID" (Right to NemID).

➔ Nu kan du se dit testsvar.

➔ Under dit prøvesvar kan du læse, hvad testsvarene betyder, og hvad du skal gøre, hvis du er smittet med COVID-19.
