

The International Employment Unit of the City of Aarhus Presents:

WEBINARS FOR INTERNATIONAL JOB SEEKERS

August-December 2021

Find inspiration and gain an overview on a wide range of topics that can help to improve your job search process.

WEBINAR TOPICS

CV writing

Do you want to make sure that your CV is strong, easy to understand, and aligned to the Danish style? Then sign up for this webinar which presents a brief outline of the key elements that you should include in your CV with examples and tips on how you can best present yourself to future employers.

Cover letter writing Part 1: Solicited applications

Solicited applications are those written in response to job openings advertised by companies which indicate that they are actively looking to hire. This webinar will show you how to read and understand the job advertisement, plan and structure your cover letter, and then customize your application to highlight your key skills and competencies in alignment with the advertised role.

Cover letter writing Part 2: Unsolicited applications

Unsolicited applications are quite common in Denmark and refer to situations where the job seeker approaches the employer offering their competencies— even though no job has been advertised. This webinar will be your guide to how to begin writing good unsolicited applications. It is recommended that you participate in “Cover letter Writing Part 1: Solicited Applications” before joining this webinar.

LinkedIn for international jobseekers

This webinar is intended for those who would like to learn more about how to use LinkedIn as a jobseeker, and are looking for extra tips and tricks on how to optimize their profiles, reach out to people on the platform, and create engaging posts.

Coffee meetings

Coffee meetings can be an effective tool in the professional networking process. This webinar will give you a basic guide to coffee meetings and provide inspiration on how to ensure that you make the most out of every meeting.

How to prepare for a job interview

Do you have an interview coming up that you need to prepare for? Or, are you just curious about job interviews in Denmark? Then this webinar is a good place to start! You will get a general idea of the job interview process, and inspiration on how to present your best self during the interview process.
