

WORKSHOP

JOB SEARCH AND WORK IN EUROPE

Looking for a job abroad?

Looking for a job abroad requires thorough research into living & working conditions, surpluses and shortages on the labour market, etc. Eures (European Employment Services) may help you with information and financial support in case you are invited to a job interview or intend to relocate to another EU/EEA member state.

During the workshop we will cover the following:

- EU Legislation (free movement of workers)
- How to find current labour market information in the European countries
- Social security
- Travelling to another EU country with unemployment benefits/your dagpenge
- EURES and how EURES Advisers can help you in your job search
- The European job portal
- EU job mobility schemes: 'Your First EURES Job' and 'Reactivate'
